Mr. E. H. Cookingham  
The Western Gas Company of Washington  
Bremerton, Washington

Dear Mr. Cookingham:

We received your letter of June 7 but have not as yet received a copy of the proposed plans by Professor Tynstra. It was my understanding that those plans were to be furnished us from your office, and until we receive them we will not be able to make any suggestions regarding the type of treatment.

The matter of obtaining a satisfactory adjustment with Mr. Cohen should be taken up directly with Mr. Jack Taylor, director of the Pollution Control Commission.

Very truly yours,
